## **The Book of Exodus**

**We will be exploring the book of Exodus this year. Exodus is a large book and we will be trying to preach its complete message, while not covering every verse in the book. We have provided the following chart to help you know where we are going and when. There is also a reading plan that will help you cover all of Exodus over the duration of the preaching schedule. It would be helpful to read the recommended readings before the sermon for that week. We will preach through Exodus in two sessions (April 24 - May 22; and October 2 – October 30)**
